On the basis of the above, the Commission has concluded that the information provided by the complainant is sufficient to establish that the complainant has been subjected to a violation of his or her rights under the American Declaration of the Rights and Duties of Man and the American Declaration of the Principles and Policies of the Inter-American System. The Commission has therefore decided to open an investigation into the facts alleged by the complainant and to determine whether or not there has been a violation of his or her rights under the American Declaration of the Rights and Duties of Man and the American Declaration of the Principles and Policies of the Inter-American System.
